RHONA S BIKE: FIRST IN THE LOBBS BOTTOM SERIES

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When the dust finally began to settle the scene was one of complete devastation. All that remained of the once proud building was a heap of smouldering rubble with flames leaping upwards from numerous piles of timber beams, bricks, and broken furniture. More, whiter smoke billowed up from the tangled mass to mingle with the black smoke already blotting out the weak evening light of the setting sun. The solitary figure of a small girl, neatly dressed in her school uniform, stood across the road from the remains of the school. With her feet apart and her hands on hips, she surveyed the devastation with a wide grin on her face. Laughter danced in her eyes and her shoulders gently shook as a satisfied chuckle rippled from her throat.
