

Linux Desk Reference

By Scott Hawkins

Pearson Education Limited, United Kingdom, 2001. Paperback. Book Condition: New. 2nd Revised edition. 226 x 155 mm. Language: English . Brand New Book. This handy 6 x9 Linux desk reference packs information about every command Linux users will need -- organized for maximum value and convenience. In this brand-new Second Edition, Scott Hawkins has refreshed entries throughout, and added four new chapters -- including all-new coverage of the tc shell, Emacs editor, and Apache Web server. Unlike some Linux references, Linux Desk Reference is organized by function, so new Linux users can find what they re looking for fast -- and a great roadmap-style alphabetical reference gets experts the information they need just as quickly. The book s coverage is exceptionally broad, ranging from files, processes, I/O, and user accounts through networking, security, and Windows connectivity. Every chapter begins with a brief discussion of relevant terms and concepts, followed by a brief summary of all relevant commands, a list of related files, and then a complete listing of the commands, complete with options and examples. This is the only Linux reference that contains real-world examples for every command; in many cases, it even provides diagrams and sample output. For all...
