Idiocy: And Its Treatment: By the Physiological Method (Classic Reprint)

By Edward Seguin

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Idiocy: And Its Treatment: By the Physiological Method Twenty years have passed away since the publication of any treatise on the treatment of idiots. This period has been appropriately filled by the practical labor of founding schools and endowing public institutions for these children. The preceding period had been occupied by the framing of the physiological method of education; and the next period will be devoted to new studies on the subject. This present time seems therefore particularly favorable for the writing of a book embodying: 1st, Our present knowledge on idiocy; 2d, The method of treating idiots; 3d, The practice of the same; and 4th, An outline of the direction to be given to the scientific efforts of the friends of idiots, and of the apostles of universal education. Deprived of language by voluntary change of nationality, and engaged in the fulfilment of private duties, we did not take our share in the treatment of idiots in this Republic; but we were never distant from the subject and we reentered it as soon...
