

Roots Branches: Grounding Religion in Our Human Experience

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

ROOTS BRANCHES: GROUNDING RELIGION IN OUR HUMAN EXPERIENCE

DOWNLOAD

Wipf Stock Publishers, United States, 2014. Paperback. Book Condition: New. Revised ed.. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Kenneth Overberg has written a gem of a book that is greatly needed both in introductory courses in theology and in parish renewal programs. In attempting to explore the complex relationship between human experience and organized religion, Overberg begins with an appreciation of the transcendent depths of human experience, with the realization that there is more there than meets the eye, and moves skillfully on to the ways in which modern people can reflect and articulate their experience of depth. He then draws upon both Jewish and Christian roots, expressed through the experience of Moses and Jesus, to demonstrate how our experience can be clarified, challenged, and enlarged through encounter with these traditions without the tired apologetics. In addition, as he develops the communal nature of such traditional religions he does not shy away from their attendant problems and constant need for reform. Overberg writes with disarming clarity. He has taken the jargon of the theological vernacular and has put it into words we can both understand and use. Indeed, this is essential if we are ever to renew the churches from the roots up. Highly recommended for parish renewal programs, introductory courses in theology, and for private explorations. --Good News 17.1 (January 1990) Roots and Branches is clear, concise, challenging toward reflection, with enough theological references to make it stimulating to the parish audience without being overbearing. In particular, what caught my attention was the chapter on Corrupting Trends. --Jane Myers, Director of Faith Formation Father Overberg presents contemporary theology incisively and yet with a simplicity that can be understood by the average reader. His approach begins where people live, in the...
