Chipmunkpublishing, United Kingdom, 2008. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Description This is a collection of prayers and poems created over many years to offer comfort and above all self-belief. This collection gives an amazing perception that everybody has certain pathways. As much as we try to avoid the wrong pathways, we very often tend to head straight for them. This book and the poetry it contains reflects Josephine s experiences from caring for an ill son, to major operations and disability. Many of the poems allude to Josephine s strong religious identity. This is an extremely strong collection of poetry from an extremely strong woman. About the Author After recovering from polio meningitis at aged 6 and being home alone for 4 years. I d taught myself how to read and write. I returned to school for the final year wherein I won a writing prize at The Royal Albert Hall five times. I went on to work in the legal profession until 2001 when I became David s (son) carer. Having had a turbulent life I compiled two poetry books. I have won certificates from Lookout Magazine and The National Library of Poets - Welwyn Hatfield Times covered these events. Between 1993 until 2003 I became dedicated to securing David s freedom from oppression.
