SKYLARK THREE

University of Nebraska Press, United States, 2003. Paperback. Book Condition: New. Alison Donnell (illustrator). 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.In this exhilarating sequel to *The Skylark of Space*, momentous danger again stalks genius inventor and interplanetary adventurer Dr. Richard Seaton. Seaton's allies on the planet Kondal are suffering devastating attacks by the forces of the Third Planet. Even worse, the menacing and contemptuous Fenachrones are threatening to conquer the galaxy and wipe out all who oppose them. And don't forget the dastardly machinations of Seaton's arch-nemesis, DuQuesne, who embarks on a nefarious mission of his own. Against such vile foes and impossible odds, how is victory possible? Featuring even more technological wizardry, alien worlds, and all-out action than its predecessor, *Skylark Three* is hailed by many as the imaginative high point of the *Skylark* series. A pioneer of the space opera, E. E. Doc Smith (1890-1965) profoundly influenced the development of American science fiction. Smith's books include the classic *Lensman* series. Jack Williamson is the author of numerous classic novels, including *The Humanoids* and *Terraforming Earth*. He has been inducted into the Science Fiction and Fantasy Hall of Fame.
