HOW AND WHAT TO DANCE (CLASSIC REPRINT)

DOWNLOAD

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from How and What to Dance Not until I had completed this volume did I realise how important an appendage was the preface. It serves a double purpose - a word of explanation to the critic and a greeting to the reader. To the critic: This volume has no pretence of being a standard nor academic work on the Art of Dancing. Neither is it complete. What description of the modern Fox-trot, for instance, may be said to be complete? For that reason, I have given in this dance some half-dozen basic steps for the beginner, which may well serve as a jumping-off point for the expert. To the reader: To the man in the street who looks aghast at the modern ballroom and its vagaries, I dedicate this work. Although dancing cannot be learnt from books, any more than an instrument can be mastered after a series of lectures, if this little volume proves of some guidance to those who are learning, it will have served its full purpose. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
