THE HERMAPHRODITIC CONTORTIONIST

Createspace, United States, 2012. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The genre of this literary work may be too easily described as an adventure novel, but it would be more accurate to categorize it as a philosophical adventure. The main character is seeking redemption for a past mistake and also trying to find a lost premise that was omitted from our Constitution. Not only do I challenge the prevailing jurisprudence of victimless crimes, but I also redefine the role of our government, as I believe our founding fathers thought it should be. For those who wish an end to our Leviathan bureaucracy, an end to political action groups or lobbyists, and an end to the search for a just tax , this is the book for you to read. The underlying themes are presented to the reader through various modes of perception and self-analysis by the main character One example is when the main character sees the polarizing differences he perceives between the same, identical landscape as he drives westward through New Mexico contrasted to the scenery as he is returning home, due to the cauterizing fear he is experiencing which causes him to discern something entirely different. These images are employed to show the reader how this one human emotion (and indeed, all human emotions) can play upon our perception of reality and upon our lives. In relation to this theme, I have included in my work a brief summation of a part of the psychohistory of mankind. Mostly, this part edifies the reasons for why...
