CHRONIC PAIN: LIVING BY FAITH WHEN YOUR BODY HURTS

New Growth Press, United States, 2011. Paperback. Book Condition: New. 186 x 106 mm. Language: English . Brand New Book. Chronic pain is different from other kinds of physical pain because it doesn't stop. It is daily, unrelenting, soul-wearying pain for which there is no end in sight. Can you still experience God's grace and help even in the midst of never-ending pain? Michael R. Emlet, physician and counselor, includes a brief overview of the physiological aspects of pain and then goes on to outline a God-shaped perspective on chronic pain. When you turn to God, your pain may not disappear, but fear, anxiety, and despair can be replaced with a simple trust in God's understanding, care, and love.
