

Adjacencies: Minority Writing in Canada

Filesize: 5.81 MB

Reviews

I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

ADJACENCIES: MINORITY WRITING IN CANADA

Guernica Editions, Canada. Paperback. Book Condition: new. BRAND NEW, Adjacencies: Minority Writing in Canada, Lianne Moyes, Licia Canton, Domenic A. Beneventi, Canada has often been described as a patchwork of cultural and linguistic communities that continually intersect with one another in interesting and provocative ways. This collection of essays provides a forum in which ethnicity and literature are explored from a broad range of critical perspectives including feminism, psychoanalysis, cinema, cultural studies, history, gender and native studies. They do so by addressing the many ways in which minority writers not only create sense of community and ethnic specificity but also open avenues of discourse to adjacent communities. Offering readings of such diverse writers as Austin Clarke, Caterina Edwards, Mary di Michele, Kristjana Gunnars, Nadine Ltaif, Robert Majzels, Michael Ondaatje, F.G. Paci, Marguerite-A. Primeau, Regine Robin and Aritha van Herk, this collection discusses and debates the issues pertinent to contemporary ethnic/minority studies in Canada.
