A Parent s Job (Classic Reprint)

By Columbus Norman Millard

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Parent s Job There are few school principals who are not frequently requested by parents to promote pupils at the end of a school year, regardless of their standings. Whether the children are fitted to do the work of the succeeding grade, is apparently a matter of no concern to the anxious parent. The mere fact that their pride will be hurt by being kept back seems to be the only point considered. The readiness with which parents often intercede with school authorities for a child to give up a study that is irksome to him is another regrettable tendency which is unfortunately altogether too common. In such instances neither the intrinsic value of the subject nor the possibility of its affording most excellent training for the child is taken into consideration. He doesn t like it is obviously to them an all-sufficient reason. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
