

Most Likely to Survive: The Story of Matthew Faulkner's Miraculous Recovery from Traumatic Brain Injury

By Joe Kirchmyer

No Frills Buffalo, United States, 2013. Paperback. Book Condition: New. 200 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.Most Likely to Survive is the real-life story of Matthew Faulkner, a smart and friendly young man who would see his well-planned life change dramatically in the blink of an eye. Voted Most Likely to Succeed by his classmates, a near-fatal car accident near the end of his senior year of high school would put Matt into the deepest depth of coma for six long weeks. His chance of survival was near zero, and if he did manage to somehow come out of the coma, he would likely end up requiring constant care in a skilled nursing facility. Through a series of miracles, Matt would walk out of the hospital and soon after, walk across the stage at his high school graduation to cheers and thunderous applause. Thanks to his rehab physician, a remarkable support system, dedicated therapists, grueling therapy sessions and incredible determination, he would fulfill his goal of not only going on to college, but doing exceptionally well academically. His recovery, which will be lifelong, continues to amaze his friends, family, the medical community...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
