Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Google Sniper is a complete system about creating tiny 2 hour to build sites that will bring in commissions for you on complete autopilot for months, and even years to come. This course will teach you exactly how to create these sites - The ENTIRE process, start to finish. Nothing is left out. The whole system is based upon your site getting free, hands off, targeted traffic which is pertained from having a first page ranking on Google. We will achieve this top ten ranking firstly through targeting the right keywords. And secondly, through the use of some powerful, little known search engine optimization techniques that will give our site a razor sharp focus in the eyes of the search engines. But traffic alone won t make us money. We then milk this traffic for all its worth, through my powerful preselling tactics and strategies in order to get the highest amount of buyers we possibly can out of our visitors. And ultimately, maximise our sites profitability. So, in a nutshell that s the system. You see, there are only two real elements to making money online. Traffic and conversions. So, In Google Sniper we keep it simple. We forget everything else and focus on what matters: Getting traffic and then converting that traffic into buyers. With Google Sniper it s simple. You have one big manual, where everything down to the very last detail (and I really mean that) of this system is taught to you in a simple, step by step fashion. Then you have a collection of videos to supplement the theory and information in the book. So, you ll be reading...
