Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Gospel Publishing House, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The history of The General Council of the Assemblies of God in the United States is the story of ordinary people through whom God did extraordinary things. Pastors and laity, missionaries and educators, evangelists and humanitarians, they were "radical evangelicals" who begged God for a fresh outpouring of the Holy Spirit to empower their mission to spread the gospel of Jesus Christ to the ends of the earth. From 300 ministers in Hot Springs, Arkansas, in 1914, this fellowship has grown to encompass tens of millions of believers around the world today-an answer to prayer and a reason for praise! People of the Spirit by the late Gary B. McGee tells the stories of a representative sample of people in this movement. First published in 2004 to widespread acclaim, McGee's biographical approach to Assemblies of God history still informs and inspires. In time for the celebration of the 100 years of ministry of the Assemblies of God, this centennial edition of McGee's classic book includes: a new foreword by George O. Wood, updated biographical information and recommended readings in each chapter, a new afterword by Charles E. Self that outlines developments in the Assemblies of God fellowship in the decade since People of the Spirit was first published, As The General Council of the Assemblies of God enters its second century of ministry, the personal stories in this book teach the valuable lesson that only those who rely greatly on God can do great things for Him. This is what it means to be people of the Spirit. Book jacket.
