Reviews

This published publication is excellent. This really is for all who statte there had not been a well worth studying. I am very happy to inform you that this is the very best ebook i have read through within my very own daily life and could be he greatest pdf for possibly.
(Mrs. Maybelle Gleason DDS)

A2 LEVEL PSYCHOLOGY

DOWNLOAD

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, A2 Level Psychology, Michael W. Eysenck, This thoroughly updated edition of the bestselling Psychology for A2 Level has been written specifically for the new AQA-A Psychology A2-level specification for teaching from September 2009. It is the ideal follow-up to AS Level Psychology, 4th edition by the same author, but also to any AS-level textbook. This full-colour book, which builds on the ideas and insights explored at AS Level to promote a deeper understanding of psychology, is written in an engaging and accessible style by a highly experienced author. It incorporates contributions, advice and feedback from a host of A-Level teachers and psychologists including Philip Banyard, Evie Bentley, Clare Charles, Diana Dwyer, Mark Griffiths and Craig Roberts. At this level, students select options from a range of specified topics and this book includes chapters on all of the compulsory and optional topics that are on the new A2 syllabus in sufficient depth for the requirements of the course. It has a new focus on the nature and scope of psychology as a science with an emphasis on how science works, and guidance on how to engage students in practical scientific research activities. Presented in a clear, reader-friendly layout, the book is packed with advice on exam technique, hints and tips to give students the best chance possible of achieving the highest grade. The book is supported by our comprehensive package of online student and teacher resources, A2 Psychology Online. Student resources feature a wealth of multimedia materials to bring the subject to life, including our new A2 revision guide and A2 Workbook, multiple choice quizzes, revision question tips, interactive exercises and podcasts by key figures in psychology. Teacher resources include a teaching plan, chapter-by-chapter lecture presentations, and classroom exercises and activities.
