Grove Press / Atlantic Monthly Press. Paperback / softback. Book Condition: new. BRAND NEW, Layer Cake, J J Connolly, Our narrator s too smart to tell you his name (if I [did], you d be as clever as me), but he s not afraid to tell you everything else about the layer cake London s intricately arranged constellation of underworld fiefdoms. Our narrator is a smoothly diplomatic 29-year-old cocaine dealer who has earned a respected place among England's Mafia elite. Speaking in a language rich with drug jargon, vulgarities, British slang, and Cockneyisms, he manages high-level trafficking with a tough old veteran partner, Mister Mortimer, a man who gave the narrator his start in the business, and who has seen his share of prison (five and a half year term) and deadly fights (he owns a porn store, and loves to set up guys looking for child porn by directing them to come back at a special time, then beating the living daylight out of them when they return). Our narrator s goal is to retire at 30 and spend his remaining years far from the danger and double-dealing of London's crime gangs. But like most high rollers, he finds it hard to walk away from "just one more" deal. Morty rings up our narrator one early Saturday morning with an invitation to an exclusive members only restaurant far off in the English countryside. They re off for a spot...
